# Company Overview

# MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

It is an absolute privilege to write to you as Chairman & Managing Director of your Company and present the 9th Annual Report of IFL Housing Finance Limited (hereinafter referred to as "IFLHFL") for the financial year ended March 31, 2024.

The fiscal year 2023-24 has been a period of notable transformation for our Company. Despite the backdrop of macroeconomic uncertainties, including rising inflation and interest rate hikes by the RBI, we have successfully navigated these challenges and achieved significant milestones, managed to strengthen, maintain quality portfolio, sustain our profitability and while simultaneously investing in long-term growth.

We have strategically realigned our focus to concentrate more on the Gold Loan business. This decision aligns with our aim to capitalize on the growing demand for quick and accessible financial solutions in times

of need, while leveraging the strong asset backed nature of gold loans. This shift has allowed us to enhance our Service offerings and better meet the immediate financial requirements of our customers.

Therefore, our focussed efforts have increased in Gold Loan segment and we have been able to give quick loans to people with urgent monetary requirements, without compromising with the credibility of the customer and collateral. This has indeed made a huge impact and helped people in times of crisis.

Your Company has witnessed significant growth and concluded the year with a total of 67 branches. Customer base has exceeded 20640, while portfolio reached ₹27910.4 Lakhs and net worth amounted to ₹9794.11/- Lakhs

Your company's Financial Results are prepared as per Indian Accounting Standards (Ind AS).

- Gross AUM stood at Rs. 25,089.27 Lakhs as of March 2023 from Rs. 14,651.46 Lakhs in the previous year which marks a 71.24% growth.
- Expanded our network to 67 branches in 5 states and are having more than 20640 active customers.
- Profit After Tax in the FY 2023-24 stands at Rs. 1215.15 Lakhs.
- We are having a Credit Rating of IVR BBB-Stable (IVR Triple B Minus with Stable Outlook) from Infomerics Valuation and Ratings Pvt Ltd.
- Total Revenue from all operations grew by 39.35% to Rs. 6377.54 Lakhs from Rs. 4,576.70 Lakhs in FY23-24

- Profit before Tax of Rs. 1605.02/- Lakhs as compared to Rs. 624.97/- Lakhs in the previous year, recording an increase of 156.82%.
- Net Interest Income (NII) grew by 47.92% to Rs. 3820.80 Lakhs in FY24 from Rs. 2,583.05 Lakhs in FY23. Net Interest Margin (NIM) on Average Interest Earning Assets is 13.95% in FY24 as compared to 13.09% in FY23.

CRAR increased to 62.85% in FY24 from 52.83% in FY23, but the same is still much higher than the statutory minimum requirement of 15% as on 31.03.2024.

Gold prices may see temporary volatility owing to various global macroeconomic factors and government measures to curve surging prices. However, it is worthwhile to mention that the long term demand for the gold loans in India will remain unaffected by these temporary developments. We create value by offering reliable financial services, conducting our business with integrity, and striving for excellence. We prioritise understanding and addressing our customers' unique needs, ensuring accessible and dependable financial solutions. Our goal is to provide a seamless experience, delivering consistent and considerate services to our clients across the social spectrum.

During the FY 2023-24, Our emphasis on gold loans has proven to be a prudent strategy, enabling us to provide rapid financial assistance while ensuring strong asset backing. This focus not only aligns with our goal of offering secure and efficient financial products but also positions us to tap into the expanding

market for gold-based financing. We are proud to share that our customer base has increased to 20640 customers till date.

Despite the perceived credit risks associated with these segments, our proprietary underwriting process, risk management framework, technology platform and financial resources has enabled us to, better to build a portfolio with best in class asset quality consistently for years. IFLHFL believes in the social impact of its business in terms of enhanced life financial discipline and inclusion into the financial main stream of its customers. To sustain this IFLHFL equally believes in creating significant and long lasting value for all its key stake holders.

We will continue to scale our book across product segments and accelerate our digitalisation efforts. We are committed to improve our profitability and do not compromise on quality of portfolio while simultaneously having eye on long-term growth. I take this opportunity to express gratitude to all our stakeholders including employees, customers, bankers, and regulators for their invaluable support and whose contribution has helped us to make and achieve the set targets of the Company. We look forward to the continued support of all them in taking the Company forward on the journey of sustainable and profitable growth.

Thanking You,

With Best Wishes,

Sd/-

## 5. PROCEDURE FOR APPROVAL OF RELATED PARTY TRANSACTION

### 5.1 Approval of the Audit Committee

A. All related party transactions require prior approval of the Audit Committee. However, the Company may obtain omnibus approval from the Audit Committee for such transactions, subject to compliances with the following conditions:

- a. The Audit Committee shall, after obtaining approval of the Board of Directors, specify the criteria for granting the omnibus approval in line with the Policy and such approval which shall include the following namely:
  - i) Maximum value of the transaction, in aggregate, which can be allowed under the omnibus route in a year;
  - ii) The maximum value per transaction which can be allowed;
  - iii) extent and manner of disclosures to be made to the audit committee at the time of seeking omnibus approval
  - iv) review, at such intervals as the Audit Committee may deem fit, related party transaction entered into by the company pursuant to each omnibus approval made;
  - v) transactions which cannot be subject to the omnibus approval by the Audit Committee
- b. The Audit Committee shall consider the following factors while specifying the criteria for making omnibus approval, namely:-
  - i) repetitiveness of the transactions (in past or in future);
  - ii) justification for the need of omnibus approval.
- c. The Audit Committee shall satisfy itself regarding the need for such omnibus approval for transactions of repetitive nature and that such approval is in the interest of the company;
- d. The omnibus approval shall provide details of
  - (i) the name/s of the related party, nature of transaction, period of transaction, maximum aggregated value of the particular type of transaction that can be entered into,

Provided that where the need for related party transactions cannot be foreseen and aforesaid details are not available, Audit Committee may grant omnibus approval for such transactions subject to their value not exceeding rupees 1 crore per transaction.

- e. Such omnibus approval shall be valid for a period not exceeding one financial year and shall require fresh approval after expiry of such financial year.
- e. Omnibus approval shall not be made for transactions in respect of selling or disposing of the undertaking of the company.
- e. Any other conditions as the Audit Committee may deem fit.

## 5.2 Approval of the Board of Directors of the Company

In addition to the above, the following kinds of transactions with related parties are also placed before the Board for its approval:

- A. Transactions which may be in the ordinary course of business and at arm's length basis, but which are as per the policy determined by the Board from time to time (i.e. value threshold and/or other parameters) require Board approval in addition to Audit Committee approval;
- A. Transactions in respect of which the Audit Committee is unable to determine whether or not they are in the ordinary course of business and/or at arm's length basis and decides to refer the same to the Board for approval;
- A. Transactions which are in the ordinary course of business and at arm's length basis, but which as per Audit Committee requires Board approval
- A. exceeding the threshold limits, as per Clause 4.8 of the Policy, which are intended to be placed before the shareholders for approval

## 5.3 Approval of the Shareholders of the Company

All the transactions with related parties exceeding the threshold limits, as per Clause 4.8 of the Policy, are placed before the shareholders for approval. For this purpose, none of the related parties of the Company shall vote to approve on such shareholders' resolution irrespective of whether the entity is a related party to the particular transaction or not. (RP's can cast only negative vote to reject the shareholders resolution on RPT exceeding the threshold limits). In addition to the above, all kinds of transactions specified under Section 188 of the Act which

- A. are not at Arm's Length or not in the ordinary course of business; and (b) exceed the thresholds laid down in Companies (Meetings of Board and its Powers) Rules, 2014 are placed before the shareholders for its approval.

However, the requirement of shareholders' approval for Related Party Transactions exceeding the thresholds is not required in case of wholly owned subsidiary, if passed by the holding company, for the purpose of entering into the transaction between wholly owned subsidiary and holding company.

## 6. REPORTING AND DISCLOSURES

All the Disclosure would be done as in compliance with the requirement as specified under Companies Act 2013 and or any other applicable law or regulation.

## 7. REVIEW OF THE POLICY

The adequacy of this Policy shall be reviewed and reassessed by the Audit Committee periodically and appropriate recommendations shall be made to the Board to update the Charter based on the changes that may be brought about due to any regulatory amendments or otherwise.

## MANAGEMENT DISCUSSION & ANALYSIS

### OVERALL BUSINESS ENVIRONMENT

#### Global Economy Overview:

The Indian economy grew at 8.2% in FY 23-24 as against 7.0% in FY 22-23, primarily driven by sharp revival in the secondary sector that grew at 9.7%. In 2023, the global economy exhibited resilience despite uncertainties related to geopolitical conflicts, sluggish economic activity, tight monetary policy and disruptions in the supply chain. The global economy grew by 3.3% in 2023, whereas in the same period advanced economies grew by 1.6% and the emerging market and developing economies grew by 4.3%. Central banks of major economies took steps to rein in inflation and in 2023, global inflation fell from 8.7% in 2022 to 6.8%.

The global economy is anticipated to grow by 3.2% in 2024 and it is expected to be supported by a further decline in global inflation to 5.9% in 2024. It is also expected to make way for stronger structural reforms and bolster productivity.

As per International Monetary Fund (IMF) projections, global inflation is expected to fall from its 2022 peak to 5.8 % in 2024 and 4.4 % in 2025. Further, IMF projects global growth at 3.1 % in 2024 and 3.2 % in 2025, on account of greater than expected resilience in developed economies and large emerging market economies.

#### Indian Economy Overview:

India has been one of the fastest growing economies in terms of GDP growth across

the globe in recent years and is expected to be the fastest growing economy in next fiscal year as well. As per IMF, medium-term growth forecast for India remains strong, supported by improving macroeconomic fundamentals and resilient domestic demand.

The tailwinds supporting India's growth story include the effectiveness of RBI's monetary policy to contain inflationary pressures, increase in household consumption, robust digital public infrastructure, decline in systemic financial risks bolstered by stronger balance sheets and healthy capital buffers of financial institutions and government thrust towards capital expenditure. The factors that need cautious watch for the economy to remain on the consistent growth path include the adverse effects of ongoing geopolitical conflicts, security on important trade routes, volatility in international financial markets, rise in geo-economic fragmentation and irregular monsoon.

On the back of the above factors, RBI estimates Indian economy to grow by 7.6% during fiscal 2024 and projected to grow by 7.0% in fiscal 2025.

Capital investment is expected to be the dominant growth driver for the Indian economy in medium term. It has been supported through initial revival in the investment cycle. The Indian economy has seen consistent improvement in the post-pandemic period with the government's thrust on capital infrastructure build-up through budgetary spending, which has also resulted in an increase in private consumption. Private consumption in India has seen an increase in recent times and is expected to gather momentum in future fiscal years as well with higher spending expected towards housing, travel and mobility and personal services (health and education) segments.

## OUTLOOK

Going forward, the country is likely to remain the world's fastest-growing major economy on the back of growing demand, moderate inflation, stable interest rate regime and robust foreign exchange reserves. The economy is poised to achieve nearly 7% growth in FY 2024-25. The catalysts for this projected growth are likely to be robust domestic demand, private consumption and investment, and Government reforms and initiatives implemented over the past decade. The Government's investments in both physical and digital infrastructure, coupled with measures to increase manufacturing have strengthened the supply side. Together, these developments are likely to provide an impetus to the country's economic activity. India is making significant strides to achieve its futuristic growth targets. The Indian economy is projected to cross the USD 4 Trillion mark during FY 2024-25, further escalating to USD 5 trillion by FY 2026-27. Additionally, the Government has set an ambitious goal of transforming into a developed country by 2047. India will sustain its upward growth track, propelled by stable and robust domestic demand, expanding private consumption and investments, and ongoing structural reforms.

### Housing Finance Sector Overview:

The housing credit space has been increasing over the past few years, it has grown at a compounded annual growth rate (CAGR) of ~12% over the past five years to ₹ 31.8 trillion at September 30, 2023. Of the total on book housing loan portfolio, banks

contribute largely considering the outreach of banks across India, comprehensive product suite with competitive rates and a recent merger of major housing finance company with the bank. The share of housing finance companies in the total housing credit is at modest 18% at September 30, 2023. Though the share of credit of HFCs has been modest, credit by HFCs has grown by ~16% year on year to housing portfolio of ₹ 5.7 trillion at September 30, 2023, whereas credit by banks has grown by ~14% year on year to ₹ 26.1 trillion at September 30, 2023. The affordable housing segment is one of the swiftest-growing domains in Indian consumer finance. It caters to consumers in the lower to middle-income brackets and is supported by government initiatives for both developers and customers alike.

The affordable housing segment is set to play a pivotal role in meeting the housing needs of the country due to its manifold benefits and wide-reaching impact. Owing to this, the affordable housing finance companies (AHFCs) have been growing at a faster pace compared to other HFCs.

### GOLD MARKET

Global gold demand was the highest at 4,899 tonne in 2023. The global gold price increased by 15% in comparison to the last year. Gold as an asset class is considered to be one of the most sought-after investment options for people from all parts of the world. Apart from using it for making jewellery, it is considered a means for long-term wealth generation. The Asia-Pacific region dominated the demand for gold in 2023, with the largest share of gold consumption attributed to Indian and Chinese markets.

## INDIAN GOLD LOAN MARKET

Gold has great significance for Indians. The preference for gold jewellery in Indian culture has made it an integral part of everyday life. From rituals and ceremonies to religious festivities, adorning gold is considered a good omen. At the same time, it also provides an opportunity for the common man to invest in an asset class that is considered to be extremely reliable due to its appreciating value. Gold loans have, therefore, become an easy way of accessing credit for numerous borrowers including individuals, small businesses and micro-enterprises.

Globally, India is the world's largest market for gold and the gold loan market in India flourished, with around 2,950-3,350tonne of gold used as collaterals for instantly availing funds. Southern India has remained a significant market for gold loans due to the age old preference for owning gold. During the year , NBFCs offering gold loans resiliently retained their market share despite stiff competition faced by banks. The Assets Under Management of most gold loan providers increased significantly due to the rising credit demand for small and mid-sized loans. Besides, digital adoption has played an integral role in streamlining loan processing.

## BUSINESS OVERVIEW

The fiscal year 2023-24 has been a period of notable transformation for our Company. Despite the backdrop of macroeconomic uncertainties, including rising inflation and interest rate hikes by the RBI, we have successfully navigated these challenges and achieved significant milestones, managed to strengthen, maintain quality portfolio, sustain our profitability and while simultaneously investing in long-term growth.

We have strategically realigned our focus to concentrate more on the Gold Loan business. This decision aligns with our aim to capitalize on the growing demand for quick and accessible financial solutions in times of need, while leveraging the strong asset backed nature of gold loans. This shift has allowed us to enhance our Service offerings and better meet the immediate financial requirements of our customers.

Therefore, our focussed efforts have increased in Gold Loan segment and we have been able to give quick loans to people with urgent monetary requirements, without compromising with the credibility of the customer and collateral. This has indeed made a huge impact and helped people in times of crisis.

## SWOT ANALYSIS

### Strengths of IFL Housing

#### Established Reputation

IFL Housing has built a strong reputation in the housing finance and gold loan sector, recognized for its commitment to customer satisfaction and reliable service. This reputation has fostered trust among customers, making IFL a preferred choice for housing loans and gold loans.

#### Robust Financial Performance

With consistent financial growth and operational efficiency, IFL Housing demonstrates strong financial health. This enables the company to support a diverse range of housing needs, catering to both urban and rural customers.

#### Extensive Branch Network

With branches located across the North India, IFL Housing ensures that customers can easily access services in both urban and rural areas. This extensive network enhances convenience and improves customer reach.

#### Innovative Technology Integration

Embracing modern technology, IFL Housing offers online services for loan applications, loan repayment, and customer support. This innovation ensures that customers can manage their loans conveniently, enhancing overall satisfaction.

## Challenges

### Regulatory Compliance

The housing finance sector is subject to stringent regulatory requirements. Keeping up with changing regulations can pose challenges, requiring continuous adjustments to operational practices and compliance measures.

### Market Competition

Intense competition from other housing finance companies & gold loan companies and banks can pressure IFL Housing to innovate and enhance its offerings. Staying ahead of competitors requires ongoing investment in customer service and product development.

### Dependence on External Factors

The performance of IFL Housing is closely tied to the broader economic environment, including interest rates and market trends. Any adverse changes in these factors can impact loan demand and portfolio performance.

## Opportunity

### Enhanced Customer Reach

With the growing acceptance of gold loans across various demographics, IFL Housing can target a wider audience, who value gold as a secure asset. This diversification can help increase market penetration.

### Digitalization and Tech Integration

Investing in digital platforms for gold loan applications and approvals can streamline the process, improving efficiency and customer experience. Online accessibility can attract tech-savvy clients and those in remote areas, broadening the customer base.

### Market Demand for Quick Loans

As consumers increasingly seek immediate financial solutions, gold loans offer a viable option. IFL Housing can position itself to meet this demand, particularly in times of economic

uncertainty when individuals may need quick access to funds

### Leveraging Gold as a Secure Asset

Gold is often viewed as a stable investment. By promoting gold loans, IFL Housing can appeal to customers who prefer using their gold assets for financing rather than liquidating them, thereby preserving their wealth.

## Threats

### Intense Competition

IFL Housing faces significant competition from established banks and other non-banking financial companies (NBFCs) that offer gold loans. This rivalry can lead to price wars and reduced profit margins, challenging IFL's market position.

### Market Volatility

Fluctuations in gold prices can impact the demand for gold loans. A decline in gold prices may lead to increased loan defaults, affecting IFL Housing's asset quality and overall financial stability.

### Regulatory Challenges

The gold loan sector is subject to regulatory scrutiny. Changes in regulations or compliance requirements could impose additional operational burdens and costs on IFL Housing, affecting profitability and efficiency.

## RISK MANAGEMENT

Enterprise risk management IFL Housing Loan acknowledges that business encounters a variety of risks associated with changes and developments in the industry in which it operates. These risks are continuously evolving and can change in terms of their frequency of occurrence and the impact they have on the operations and profit-making ability of the Company. This compels IFL Housing Loan to remain focused on efficiently managing and mitigating these risks such that their impact does not hinder its sustainable growth. In addition to this, the Risk Management Committee plays a significant role in effective risk management by overseeing and extending guidance.

## HUMAN RESOURCES

IFL Housing Loan has always believed its employees as its greatest asset and in pursuit of excellence, we continue to uphold our commitment to nurture and empower them. As we reflect on the past Financial Year, 2023, it is evident that our success is intrinsically linked to the quality and competence of our human capital. Building upon the foundation laid in the preceding years, IFL Housing Loan introduced strategic initiatives aimed at enhancing the well-being and professional growth of our employees. Notably among these initiatives are our efforts to support holistic well-being of our female employees and development of senior leadership team. During last Financial Year the Company has also come up with performance-based equity scheme to foster the culture of performance and ownership.

## INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal financial control over financial reporting is a structured process aimed at ensuring the reliability of financial reporting and the preparation of financial statements for external use in compliance with generally accepted accounting principles. This control framework encompasses policies and procedures meticulously designed to provide reasonable assurance.

- (1) The Company ensures accurate and fair maintenance of records that detail transactions and asset dispositions.
- (2) It provides reasonable assurance that transactions are recorded appropriately for the preparation of financial statements, and that expenditures align with authorised management and director directives.
- (3) Provides a reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.
- (4) The Company operates a robust internal audit program, led by an independent assurance function supported by specialist firms as needed. This internal audit conducts risk-based assessments, testing adherence to policies, and suggests process improvements.
- (5) Audit activities are conducted according to a plan approved by the Audit Committee, with observations and recommendations reported to the committee for ongoing monitoring and remediation as necessary.

FINANCIAL  
STATEMENTS

**INDEPENDENT AUDITOR'S REPORT**To the Members of **IFL Housing Finance Limited****Report on the Audit of the Standalone Financial statements****Opinion**

We have audited the accompanying financial statements of **IFL Housing Finance Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2024, the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the **profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

**Information Other than the Standalone financial statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has

adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. We conclude that there is no material uncertainty, thereby we are not required to draw attention in our auditor's report to the related disclosures in the financial statements. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), statement of change in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position.
  - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv) (1) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(2) the management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, that Company had recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and  
(3) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v) The Company has not declared or paid any dividend during the year.

vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 for the financial year ended March 31, 2024 is as follows:

- Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.
- As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to documents provided to us, the remuneration paid to the Managing Director of the Company is in accordance with the provisions of Section 197 along with Schedule V of Companies Act, 2013.

## **Annexure - B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **IFL Housing Finance Limited** ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and;
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ON THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2024**

**1. Corporate Information:**

IFL HOUSING FINANCE LIMITED (being subsidiary of listed company, India Finsec Limited) is a public limited company domiciled in India, incorporated under the provisions of the Companies Act, 2013 and has been carrying on business of providing loans to Retail Customers for Purchase and/or Construction of Residential Property, Repair and Renovation of Residential Property, along with Loan Against Property and Loan against Collateral of Gold Jewellery. The Company is registered under the provisions of Section 29A of The National Housing Bank Act, 1987.

The Company is having its registered and corporate office in Delhi and its branches in the states/UT of Delhi, Rajasthan, Madhya Pradesh and Haryana.

The financial statements have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at its meeting held on May 28, 2024.

**2. Basis of preparation and presentation:**

**(a) Statement of Compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under Section 133 of the Companies act, 2013 (the "Act") along with the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 issued by Reserve Bank of India (hereinafter referred to as "Master Direction") and guidelines and directions issued by National Housing bank ("NHB") to the extent applicable.

**(b) Presentation of financial statements:**

- (i) Financial Statements have been prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". All values in the financial statements are rounded to nearest lakhs except for shares data and unless otherwise stated.
- (ii) The Financial statements are prepared on a Going Concern basis as the management is satisfied that the company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption.
- (iii) The Financial Statements have been prepared on a historical cost basis and on accrual basis, except for Certain Financial Assets and Liabilities which are measured at amortised value or fair value mentioned specifically.

**(c) Critical accounting estimates:**

The preparation of the Company's financial statements requires the Management to make use of estimates and judgements. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based. Accounting estimates and judgements are used in various line items in the financial statements for e.g.

- Fair value of financial instruments (Refer note no. 3D)
- Effective interest rate (EIR) (Refer note no. 3D)
- Impairment of financial assets (Refer note no. 3D)
- Provisions and contingent liabilities (Refer note no. 3H)
- Provision for tax expenses (Refer 3E)

9

- Residual value, useful life and indicators of impairment and recoverable value of property, plant and equipment (Refer note no. 3F)

3. Summary of Material accounting policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A) Revenue recognition:

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company & revenue is reliably measured.

(i) Interest Income:

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Delayed payment charges (penal charge and the like) levied on customers for delay in repayments/non-payment of contractual cashflows is recognised on realisation

(ii) Dividend:

Dividend income from investments is recognised when the company's right to receive payment has been established which is generally when the shareholders approve the dividend.

(iii) Other revenue from operations:

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

a. Fees and commission income:

- The Company recognises initial login charges from the customers to whom sanction is not being made on realization basis.
- Bounce charges levied on customers for non-payment of instalment on the contractual date is recognised on realisation.

**IFL HOUSING FINANCE LIMITED**

CIN: U65910DL2015PLC285284

**NOTES ON THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2024**

- Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

b. Net gain on fair value changes:

The Company designates certain financial assets for subsequent measurement at fair value through profit or loss (FVTPL). The Company recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL on net basis in profit or loss.

c. Other operating income:

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

Fees on value added services and products are recognised on rendering of services and products to the customer.

d. Taxes:

Incomes are recognised net of the goods and services tax, wherever applicable.

**(B) Expenditures**

(i) Finance Costs:

Borrowing costs on financial liabilities are recognised using the EIR [refer note no. 3.A.(i)].

(ii) Other Expenses:

Expenses are recognised on accrual basis net of the goods and services tax, except where credit for the input tax is not statutorily permitted.

**(C) Cash & cash equivalents:**

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

**(D) Financial instruments:**

A financial instrument is defined as a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and other borrowings etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

All recognized financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortized cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

(i) Financial Assets:

Initial measurement and Recognition:

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost. Processing fees and other charges earned on or before disbursement of loan assets have been amortised over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement:

The Company classifies all of its financial assets based on the business model for managing the assets and the asset's contractual terms, measured at either:

- **Amortized Cost using effective interest rate method:**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The effective interest rate method is a method of calculating the amortised cost of financial asset and of allocating interest income over the expected life. Income is recognised in the Statement of Profit and Loss on an effective interest rate basis for financial assets other than those classified as at fair value through profit or loss (FVTPL).

EIR is determined at the initial recognition of the financial asset. EIR is subsequently updated for financial assets having floating interest rate, at the respective reset date, in accordance with the terms of the respective contract.

- **Fair Value through other Comprehensive Income ("FVOCI"):**

A financial asset is subsequently measured at fair value through Other Comprehensive Income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Fair Value through Profit and Loss ("FVTPL"):**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

De- recognition of Financial Assets:

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities:

Recognition and initial measurement:

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost. Processing fees,

commission and other charges incidental to the borrowed terms loans have been amortised over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Debt instrument- A 'debt instrument' here means Term loans which are measured at the amortised cost if both the following conditions are met.

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
  - contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Subsequent measurement:

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of financial liabilities:

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned liabilities or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

(iii) Offsetting of Financial Instrument:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets:

The measurement of impairment losses across all categories of financial assets requires judgment, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk.

These estimates are driven by a number of factors, changes in which can result in different levels of allowances. The Company's Expected Credit Loss ("ECL") model comprises of number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgments and estimates include:

1. The classification of loan portfolio into various stages based on the number of days overdue.
2. Risk Categorization of customer based upon their Income Profile, Value of collaterals, Age Group and Mortgage type considered for loan loss allowance.

The Company uses expected credit loss ("ECL") allowance for financial assets measured at amortized cost, which are not individually significant, and comprise of a large number of homogeneous loans that have similar

characteristics. The measurement of the loss allowance in respect of loans (other than those measured at FVTPL) is based on the present value of the asset's expected cash flows using the asset's original EIR.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument.

Based on the above process, the Company categorizes its loans into Stage 1, Stage 2 and Stage 3, as described below:

- Stage 1 - Facilities with present credit risk is low and falling under zero to thirty days past due (DPD).
- Stage 2 - Facilities with present credit risk is medium or facilities with present credit risk is low but are under-performing assets having 31 to 90 DPD. In gold Loans falling under 31 to 90 DPD, no additional provision is being created as management found it highly secured and easy to recover.
- Stage 3 - Facilities with present credit risk is high or facilities with present credit risk is low or medium but are non-performing assets having greater than 90 DPD. In gold Loans having more than 90 days DPD, no additional provision is being created as management found it highly secured and easy to recover.

Being a housing finance company, the company has to follow the guidelines given by the Reserve Bank of India (RBI) on Prudential norms on Asset Classification and provisioning requirement. The prudential norms prescribed by RBI do not consider the value of security for standard and substandard assets. The company provides for impairment of financial assets on the basis of the Expected Credit Loss Model or the prudential norms of RBI whichever is higher.

#### (E) Income Tax:

Tax expense comprises of current tax and deferred tax.

##### (i) Current Tax

Current income tax, assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) enacted in India by using tax rates prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date

Current income tax relating to item recognised outside the statement of profit and loss is recognised outside profit or loss (either in other comprehensive income or equity). Current tax items are recognised in correlation to the underlying transactions either in OCI or directly in equity.

The Company opted to pay tax under section 115BAA of the Income Tax Act, 1961, consequently the provision of Section 115JB of the Income Tax Act, 1961 pertaining to MAT is not applicable.

##### (ii) Deferred Tax

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts.

Deferred income tax is recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilized. The carrying amount of deferred income tax

assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

**(F) Property, plant and equipment:**

Properties, Plant & equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture & fixtures	10
Vehicles	8
Office Equipments*	5
Computers	3
Plant & Machinery	15

\*Taken at 10 years in case of those assets where management thinks fit.

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

**(G) Intangible assets and amortisation thereof:**

Intangible assets, representing software are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the written down value method over a period which is the Management's estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as 'Intangible assets under development'.

**(H) Provision, contingent liabilities and contingent assets:**

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

Contingent Assets and Contingent Liabilities are not recognized in the Ind AS financial statements.

Company's policy is to carry adequate amounts towards Provision for Standard Assets, Non-Performing Assets (NPAs) and other contingencies. All loans and other credit exposures where the instalments are overdue for more than ninety days are classified as NPAs in accordance with the prudential norms prescribed under Master Direction issued by RBI. The provisioning policy of Company covers the minimum provisioning required as per the Master Direction.

Provisions are established on a collective basis against loan assets classified as "Standard" to absorb credit losses on the aggregate exposures in each of the loan portfolios based on the Master Direction. A higher non-performing asset provision may be made based upon an analysis of past performance, level of allowance already in place and Management's judgment. This estimate includes consideration of economic and business conditions. The amount of the allowance for credit losses is the amount that is required to establish a balance in the Provision for Non-Performing Assets Account that management consider adequate, after consideration of the prescribed minimum requirement under the Master Direction.

(i) **Employee benefits:**

(i) Short term employee benefits:

- (a) Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.
- (b) Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee including expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

(ii) Post-Employment Benefits:

➤ **Defined Contribution Plan**

- (a) **Provident Fund:** The Company contributes to a government administered Provident Fund in accordance with the provisions of Employees Provident Fund Act. The Amount contributed is recognized as an expense in the period in which the services are rendered by the employees
- (b) **Employee State Insurance:** The Company contributes certain amount to Employee state Insurance as per the provisions of the Employee state insurance act and is recognized as an expense in the period in which the services are rendered by the employees

➤ **Defined Benefit Plans**

- (a) **Gratuity:** The Company's Gratuity liability under the Payment of Gratuity Act, 1972 is determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in 'Employee Benefits Expense' in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in Other Comprehensive Income net of tax. These are included in 'Retained Earnings' in the Statement of Changes in Equity.

- (b) **Leave Encashment:** The Company has adopted a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences i.e. paid leave is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

(J) **Leases:**

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases using the modified retrospective approach whereby a lessee applies the new standard from the beginning of the current period. The lessee calculates the lease asset and lease liability as at the beginning of the current period and recognized an adjustment in equity at the beginning of the current period. Accordingly, a lessee will not restate its prior period financial information under this approach.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

(K) **Earnings per share (EPS):**

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

CIN: U65910DL2015PLC285284

**NOTES ON THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2024**

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

**(L) Recent Accounting Pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022 in respect of Financial Instruments as under:-

(i) Ind AS 109- Financial Instruments

The amendment specifies that the terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received and discounted using the original effective interest rate, is at least 10 per cent different from the discounted present value of the remaining cash flows of the original financial liability. In determining those fees paid net of fees received, a borrower includes only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

If an exchange of debt instruments or modification of terms is accounted for as an extinguishment, any costs or fees incurred are recognised as part of the gain or loss on the extinguishment. If the exchange or modification is not accounted for as an extinguishment, any costs or fees incurred adjust the carrying amount of the liability and are amortized over the remaining term of the modified liability. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

(ii) Ind AS 16 – Property Plant and equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

(iii) Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

**34. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

**IFL HOUSING FINANCE LIMITED**

CIN: U65910DL2015PLC285284

**NOTES ON THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2024**

The Company determines fair values of its financial instruments according to the following hierarchy:

- Level 1- Valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.
- Level 2- Valuation using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.
- Level 3- Valuation technique with significant unobservable inputs: financial instruments valued using valuation techniques where one or more significant inputs are unobservable.

The fair value measurement hierarchy for financial instruments measured at fair value as at March 31, 2024 is as follows:

**35. Risk management**

The Company's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance and support the company's operations. The Company's principal financial assets include loans, investments, cash and cash equivalents and other receivables that are derived directly from its operations. As a financial lending institution, Company is exposed to various risks that are related to lending business and operating environment. The principal objective in Company's risk management processes is to measure and monitor the various risks that Company is subject to and to follow policies and procedures to address such risks.

The Company's Risk Management Committee of the Board of Directors constituted in accordance with the Reserve Bank of India regulations has overall responsibility for overseeing the implementation of the Risk Management Policy. The committee meets at least twice in a year to review the Risk Management practices. Risk Management department periodically places its report to the committee for review. The committee's suggestions for improving the Risk Management Practices are implemented by the Risk Management department.

Risk Management department shall be responsible for the following:

- Identifying the various risks associated with the activities of the Company and assessing their impact on the business.
- Measuring the risks and suggesting measures to effectively mitigate the risks.

The Company is generally exposed to credit risk, liquidity risk, market risk and operational risk.

**A. Credit risk**

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. It has a diversified lending model and focuses on 3 broad categories viz: (i) Housing Loan, (ii) Loan Against Property, (iii) Loan against collateral of Gold Jewellery. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

**Classification of financial assets under various stages**

The Company classifies its financial assets in three stages having the following characteristics:

**Stage 1** - Facilities with present credit risk is low and falling under zero to thirty days past due (DPD).

**Stage 2** - Facilities with present credit risk is medium or facilities with present credit risk is low but are under-performing assets having 31 to 90 DPD. In gold Loans falling under 31 to 90 DPD, no additional provision is being created as management found it highly secured and easy to recover.

**Stage 3** - Facilities with present credit risk is high or facilities with present credit risk is low or medium but are non-performing assets having greater than 90 DPD. In gold Loans having more than 90 days DPD, no additional provision is being created as management found it highly secured and easy to recover.

**Collateral valuation**

The Company provides fully secured loans to Customers. To mitigate the credit risk on financial assets, the Company seeks to use collateral, where possible as per the powers conferred on the Housing Finance Companies under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 ("SARFAESI").

Loan against Gold Jewellery is given against the collateral of Gold Jewellery maintaining the LTV as prescribed in Master Direction. The company seeks to use collateral through Auction of Gold Jewellery conducted as per the Auction Policy of the Company and the guidelines issued by Reserve Bank of India. Auction is generally conducted before loan amount plus interest exceeds realizable value of gold. After reasonable time is given to the customers for release after loan becomes overdue and on exhausting all efforts for persuasive recovery, auction is resorted to as the last measure in unavoidable cases. Loss on account of auctions are recovered from the customer. Any excess received on auctions are refunded to the customer.

**B. Liquidity risk**

Liquidity risk is the risk of being unable to raise necessary funds from the market at optimal cost to meet operational and debt servicing requirements. The purpose of liquidity management is to ensure sufficient cash flow to meet all financial commitments and to capitalise on opportunities for business expansion. Board of Directors will have overall responsibility of monitoring, supervision and control of the Asset Liability Management (ALM) mechanism. Board will have a sub-committee for reviewing ALM (ALM Committee) of the company on at least half yearly intervals. An Asset Liability Committee (ALCO) consisting of senior executives of the company including the Managing Director shall be responsible for the day to day as well as periodic monitoring and control of Asset Liability management.

**NOTES ON THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2024****C. Market risk**

Market Risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market factor. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity, and other market changes. The objective of market risk management is to avoid excessive exposure of our earnings and equity to loss and reduce our exposure to the volatility inherent in financial instruments. The Company is exposed to two types of market risk as follows:

**i. Interest rate risk**

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is subject to interest rate risk, primarily since it lends to customers at fixed rates. Majority of our borrowings are at floating rates, borrowings at floating rates gives rise to interest rate risk.

The following table demonstrates the sensitivity to a reasonably possible change in the interest rates on the portion of borrowings affected. With all other variables held constant, the profit before taxes affected through the impact on floating rate are as follows:

(Rs. in lakhs)

Impact on Profit Before Taxes	As at March 31, 2024	As at March 31, 2023
<b>On Floating Rate Borrowings</b>		
1% increase in interest rate	172.38	143.54
1% decrease in interest rate	(172.38)	(143.54)
<b>On Floating Rate Loans and Advances</b>		
1% increase in interest rate	15.96	20.17
1% decrease in interest rate	(15.96)	(20.17)

**ii) Price risk**

Sudden fall in the gold price and fall in the value of the pledged gold ornaments can result in some of the customers to default if the loan amount and interest exceeds the market value of gold. This risk is in part mitigated by a minimum 25% margin retained on the value of gold jewellery for the purpose of calculation of the loan amount. Further, we appraise the gold jewellery collateral solely based on the weight of its gold content, excluding weight and value of the stone studded in the jewellery. In addition, the sentimental value of the gold jewellery to the customers may induce repayment and redemption of the collateral even if the value of gold ornaments falls below the value of the repayment amount. An occasional decrease in gold prices will not increase price risk significantly on account of our adequate collateral security margins. However, a sustained decrease in the market price of gold can additionally cause a decrease in the size of our loan portfolio and our interest income.

**D. Operational risk**

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes including the use of internal audit.
